JCCS Uniform Program Updates and Changes

Important updates to the uniform program at JCCS. These changes are being implemented to increase efficiency of turnaround times and overall customer service. The past two years have been difficult to provide quick turnarounds and updates related to your order as the supply chain is unpredictable. As we discussed positive next steps with the administration at JCCS, the below changes are being made to improve overall service standards. Going forward we plan to stock the navy polo both short and long sleeve (Youth and Adult sizes), which will now be on hand at our warehouse. This commitment from our team will allow us to trust delivery dates for your items purchased from our "Core Stock" or "Reliable Stock" categories.

Promotions and Discounts

- Purchases of \$175 or more will receive an automatic discount of 7% off your order
- Purchases of \$400 or more will receive an automatic discount of 10% off your order
- We will no longer offer FREE shipping due to the increased costs from our shipping carriers

Shipping Fees

- \$5 flat rate shipping to the school on every order
- \$20 flat rate shipping directly to your home

On Demand Purchasing

If you need to order outside the bulk order dates, please reach out to customer service team. We can assist you with an order. Please note the following will apply:

- Must have a minimum order of \$175 and discounts will not apply
- On demand is not available for special order items
- Orders are subject to stock availability

Pricing Increases

Due to a variety of factors such as, freight, labour, importing fees, shipping and fuel surcharges G&L Printing is forced to increase pricing, our first increase in 3 years. The website has been updated to reflect the new pricing you see on this flyer. We appreciate your understanding as we adapt to the changes in the supply chain.
